

Message from Dr. A K Tewari Chairman AMPP India Chapter 2023-24

I am extremely to know that like previous year the CORCON 2023 is being celebrated from 25- 28th October 2023 at Mumbai.

CORCON a flagship event of conference cum exhibition, as a brand name , over the period of time it has assumes significance for annual congregation of the Engineers, Academicians, Students, Service providers, and Materials suppliers at common platform, where industry's relevant and emerging technological trends, new materials, services and IT enabled facilities for effective identification, tracking, monitoring and mitigation of corrosion and corrosion prevention services are discussed and dissemination of information takes place. This is one of Asia's largest conference cum exhibition and with tag line of CORCON 2023 "Uniting the world in Mitigating and Combating Corrosion"

Corrosion affects almost every industry, causes substantial loss and premature failures, be it Oil & Gas, Marine, Coastal assets, Railways, Defense, automobiles, Steel, materials, Fertilizers, Chemical etc. The platform of CORCON facilitates select technical paper presentations, panel discussion on fast changing technology & support systems and window casing, emerging products and services by leading entrepreneurs, startup companies etc. .Conference also recognizes the eminent personalities, eminent researchers budding entrepreneurs and bright students and awards them.

I compliment the organizing team wish **CORCON 2023** a great success

(Dr. A K Tewari)

Chairman AMPP India Chapter 2023-24
