MITIGATING & COMBATING
CORROSION

CALL FOR PAPERS

CORCON, the annual conference and expo on corrosion science and engineering held in India, is the largest event of its kind in Asia, attracting participation from academic and research institutions, public and private sector organizations including defense establishments and professionals. This event offers an excellent platform for exchange of information on matters concerning corrosion, learning about existing and upcoming products and technologies and networking. As the world faces more and more challenges with ageing infrastructure, it is imperative for advocates of corrosion mitigation to unite and address the problem. Each year over 650 industry leaders from around the world come together at CORCON, in an effort to tackle corrosion issues, and inform participants of the latest solutions and methods.

YOUR OPPORTUNITY FOR INDUSTRY RECOGNITION

Help advance your career and the industry by sharing your wealth of corrosion mitigation knowledge. This is your opportunity to be recognized for your knowledge by industry leaders from around the world.
