ABOUT: UDAIPUR

Popularly known as the City of Lakes, serene Udaipur is the crowning jewel of royal Rajasthan. With shimmering lakes visible from almost every rooftop, fairytale palaces, sprawling havelis, revered temples and narrow lanes weaving through colourful markets as ancient as the city's history, Udaipur's charm is unmatched. Nestled in the mighty Aravalli range, surrounded by dense forests and craggy hills, and magical sunrises and sunsets turning its lakes into pools of gold, Udaipur is one of the most picturesque destinations in the country.
