

## Exhibition

India continues to be the world's fastest growing major economy, with 7.3 per cent growth rate in 2018-19 and 7.6 per cent in 2019-20 as quoted by the Asian Development Bank (ADB). ADB also said the growth in India will be driven by increased public spending, higher capacity utilisation rate and uptick in private investment.

CORCON 2019 Conference & Expo is an ideal opportunity for the exhibitors to display their equipment's, technologies and services in the Asia's largest event for the prevention and mitigation of corrosion.

### Major Factors to attend the conference:-

- Talks by eminent speakers from distinguished scientists and top professionals around the world
- Source and purchase the latest product, technology and services (75+ Exhibitors)
- Increase your productivity to see new ideas and innovations (33 Technical Sessions)
- Networking opportunities: meet the people who lead the industry (900+ Delegates)

### Why exhibit at CORCON 2019

- CORCON attracts over 900 industry leaders and decision makers from various industry in corrosion mitigation from around the world
- CORCON facilitates valuable opportunities to discover the latest resources for its attendees on corrosion issues and challenges
- Exhibitors at CORCON are able to communicate directly to their key demographic and familiarize them with the newest advancements in corrosion mitigation products and services
